

# Grab Your Name Tag!

The Assimilation Committee has created a permanent name tag for you that will:

- support fellowship
- encourage us to be good stewards of the earth
- help build the body of Christ at WPC and in the community

Pick up your name tag starting October 9 and **keep it in your car** during the week so you can easily access it for worship, committee meetings, Westminster on Wednesday events, and any time you're serving the community with Westminster.
